He also reminded the Chamber of an upcoming electronic commerce conference in St. Paul, which he felt was a good way to learn about the new world of e-commerce.

Town gets Historical Society update

Marvin Bjornstad visited Town Council's Monday meeting to provide an update on the many projects of the Elk Point Historical Society, and invited them to share any historical information via the Society's web-

site. Council was advised that the Riverland Trail Society is hoping to meet with all municipalities along the soon-to-be-abandoned rail line in the near future, and hope that Elk Point will take part. Riverland would also like

the Town to provide a letter of support in principle for the project of developing an all season recreational trail along the railroad.

CRIME STOPPERS

Resident flees from intruder

By Cst. M. D. Caudron
Elk Point RCMP Detachment

On Friday, February 11, 2000 at 6:50 p.m., on the 5600 block of 51

Street, a lady returned home after completing a couple of errands in down town Elk Point. When she entered her residence she saw someone leaving her living room area through a door which led to the back door of the house. The lady stayed in the living room and called 911. While talking with the dispatcher she saw someone open the door and peek into the living room area. The lady fled the house. The police arrived within minutes and conducted a search of the premises. No one was located.

The suspect is

described as: broad shouldered, between 5'5" and 5'10" tall, wearing a brown 3/4 length jacket with a hood which he had pulled over his head. Because of the build the suspect is believed to be a male.

Police recommend that area residents always lock their doors and secure all the windows when leaving a residence for any period of time.

Anyone with information is asked to call the Elk Point RCMP Detachment at 724-3829 or 724-3964 or Crime Stoppers at 1-800-222-TIPS (8477).

The Lakeland Petroleum Association (LPA) would like to thank the general public for their overwhelming response to our open house on February 1st, 2000. THE FOLLOW-UP MEETING WILL BE HELD ON:

Monday, March 6th, 2000

10:00 a.m. to 3:00 p.m.

Members of the general public who did not previously have an opportunity to volunteer to participate in the development of this collaborative process can confirm their participation by contacting: **Paula McMillan (780) 639-5194 on or before March 1st, 2000.**

A salute to Health Centre, Parkview's "Caring Valentines"

By Deanna Easthope
FCSS Director

Yes, I know February 14 was Valentine's Day and yes, I know that day has passed. But, it was brought to my attention that a resident of Parkview wrote a nice poem and shared it with everyone at Elk Point Health Centre and Parkview. So, I hope he wouldn't mind it being shared with those who read this paper. His poem is titled:

"The Caring Valentines, Elk Point Hospital and Parkview"

*"If you are feeling down or bad hair day
come to the Admitting and on to the X-Ray
By luck if you have a cold or broken toe
come see the finest Doctors Ramful and Koe
If you come down that long hallway
Either you grab the elevator or stairway
When passed those big brown doors*

*You have arrived at Parkview floors
This place is full of fun or sorrow
Everything is healed before tomorrow
The atmosphere is full of care and love
Thanks a \$Million\$, God sees from Up Above*

Happy Valentine's... Friend Always... Henry"

Thank you, Henry for writing that poem. It is so nice to hear or read about a thank you that is given to the people who care for those in the Elk Point Health Centre and Parkview. We should never take these people for granted. Everything they do to help the residents there is very valuable. On behalf of the community of Elk Point, thank you to all the staff at those two facilities. We are glad you work there.

Lend-a-hand with taxes

Speaking of saying thank you, I would also like to say thank you to all the volunteers who took the Revenue Canada volunteer Lend-a-hand Income Tax

course. Those volunteers have been trained to help prepare the income tax forms for low income individuals. Many people are unable to complete their basic income tax return and cannot afford to pay for assistance. It is essential to file an income tax return to be eligible to receive numerous federal and provincial benefits. Revenue Canada guidelines for assistance are:

- single person - \$20,000
- 2 person family - \$25,000
- 3 person family - \$27,000
- 4 person family - \$32,000
- 5 person family - \$35,000

So if you fit in one of these categories and you would like some help in completing your income tax forms, just give the FCSS office a call at 724-3800 and you will be put in contact with one of the Lend-a-hand volunteers.

Trial OKd for second ambulance

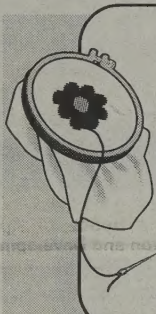

Elk Point and district's ambulance service will be beefed up, on a three month, trial run basis. Town Council ratified the approval of another one year contract with Elk Point and District Ambulance, and then agreed to a recommendation from the Ambulance Committee that they join the County of St. Paul in subsidizing a three month trial period for a second ambulance which will be called into operation when needed if the first unit is already in use. This would fill the void in ambulance coverage which currently exists on the many occasions when the ambulance is transporting a patient to

another hospital.

Council will help out the project with some grant funds which have been tucked away in reserves for ambulance staff training. The fire

department also has funds in reserves to help them meet this year's needs.

was tabled until the next meeting and will be receiving careful scrutiny.

The 2000 capital budget was accepted by Council, as was a committee recommendation to purchase a 3-point-hitch sprayer this year.

Grant approval has been received for all three stages of an upgrade to the water treatment plant. This year's portion of the project includes a long awaited automatic fire pump. Funds for the second and third phases will be put in reserves. The Town has also been approved for a three year, \$30 per capita per year, Street Improvement grant. Town manager Myron Goyan was directed to apply for lottery grant funding for ball diamond development and for the Municipal 2000 grant which is slated for disaster services training

and fire services training.

The Town is hoping to find a group willing to spearhead a roundup of hazardous household waste.

Prayer of the Blessed Virgin (never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary conceived without sin, pray for us who have recourse to thee (three times). Holy Mary I place this prayer in your hands (three times). Say this prayer three consecutive days and then you must publish and it will be granted to you.

review SPORTS this week

The Review's Sports Newshound Doug Bassett has taken the Family Day Weekend off. Watch for his report next week.

Third game goes to Onion Lake

The third game in the Sask Alta playoff series between Elk Point Elks

and Onion Lake Eagles went Tuesday night in Elk Point. A huge mid-

week crowd packed the A. G. Ross Arena to watch the fast and exciting action.

The home team started out by keeping the visitors cooped up in their own end and succeeded in scoring the first goal, Sheldon Espetveidt assisted by Kelvin Hall, nine minutes into the game. Onion Lake tied it up on a short-handed breakaway a minute and a half later, but took almost a full period before they pulled ahead on a power play. Another power play near the end of the second period, with only five seconds left in an Elks penalty, gave the Eagles a 3-1 advantage.

Assistant captain Mike Boratynec scored the second and final goal for the Elks on yet another power play, assisted by Shaun Moroziuk and Ted Genereux early in the third, with Onion Lake hastening to regain their two goal lead.

The Elks pulled their goalie in a last-ditch attempt to even the score, but were unable to outfox the Eagles' goaltender. Both goaltenders were in top form, deflecting 35 shots from the Eagles and 25 from the Elks.

Unfortunately, the final games of the series were held this past weekend, after the Review had gone to press. Watch next week for highlights.
